A Note from Mrs. Tammy: I am looking forward to this class! We have a great group of students and I am looking forward to walking through interesting and classic literature with our students this year. I am hopeful that we will be able to continue this year in the classroom, however if we are at any point forced to go virtual, it will be my goal to keep our class as seamless as possible. I have been a teacher for over 15 years and it will be my goal to equip our students so that they are prepared academically to move to the next season. However, I am passionate about young people being equipped in their relationship with the Lord. I am praying for you and your student. I am here for you and your student. I believe that God has great plans for each of our students and I hope and pray that this year will be a great step forward in their journey. - Mrs. Tammy
